RE: FEC Letter dated April 29, 2015 in regards to the Amended 30 day Post-General Report
(10/16/14 – 11/24/14) – Allen Weh for Senate

Dear Mr. Whyrick:

In response to Item 1 in your letter, we unintentionally failed to file the Missing 48-Hour Notices
you attached. These were in-kind donations from the candidate, and were overlooked. One
amended and two new 48 Hour Notice reports are enclosed with this letter.

In response to Item 2 in your letter, our original report included a loan from the candidate on
Line 13(a) in the amount of $1,445,000 and a Loan Repayment on Line 19(a) for the same
amount that was erroneous. The error was noticed and that amount was removed before the
amended report was submitted. That would explain the decrease in receipts totaling
$1,445,000 and a decrease in disbursements totaling $1,445,000 in the amended report versus
the original report. As of 11/24/14, the correct loan amount made by the candidate is
$1,900,000, which is listed on the Amended report on Line 13(a) Column B.

The remaining balance of the decrease in disbursements of $723.99 is explained as follows.
Two disbursement checks were lost ($5,069.49 and $449.50 = $5518.99) and then voided and
two in-kind items were added ($2,293.23 and $3001.77 = $5295.00) after the original report
was submitted. The lost checks were reissued in December and reported on the Year End
Report. The difference between $5518.99 minus $5295.00 equals $223.99. The final $500
difference on Line 20(a) was created because a $500 contribution check was returned to the
donor on 10/24/14 and voided by us on 12/17/14 since the donor was contacted and he
refused to cash the check.

We hope that this account is sufficient to explain these discrepancies.

Thank you for your attention to this matter.

Sincerely,

Allen E. Weh
